Trio Closing Timeline

This timeline illustrates a typical closing.

* Please note, you can shave time off Trio's closing process by providing the listing CMA, contract, Trio Offer Submission Form, and completed assignment to our offices at time of offer. It's a smart idea to order the inspection at the time of contract execution. Lastly, helping your clients sign their lease, provide missing information and pay fees on time will move this process to less than a 35 day close.
